

## AIR PURIFIER

Viruses and bacteria free air

Our Pro-Tec 40 Air Purifier improves air quality, neutralizing bad odors and reducing virus and bacteria presence in environments.

It is a unique combination of UV technology and titanium dioxide providing pure, fresh and sanitized air, promoting safety and productivity in the workplace.

Silent and sophisticated, it uses the equivalent to two led lamps (between 12 and 14 watts).

WE PROVIDE  
**ODOR-FREE AIR.**

---

### Benefits

---
