

RESTROOM **DEODORIZATION**

Clean and fresh restrooms, 24/7

Our Deodorizer eliminates and reduces contamination from its source while our AntiSplash Filter prevents urine splash and keeps a healthy environment, it also prevents the spread of contaminants present on the footsteps. Enjoy a cleaner and bacteria free environment.

WE PROVIDE YOU WITH
A **HEALTHIER RESTROOM.**

Benefits

1

It controls the bacteria proliferation in toilets and urinals.

2

It helps and favors manual cleaning by reaching parts this last one can't.

3

It keeps restrooms free of bad odors the 24 hours a day ensuring a positive experience.
